

International Day WE NEED YOU!

International Day Student “Parade of Nations”

We kick off International Day with a parade of your children representing many countries. Students dress in outfits that represent their country (traditional outfit, colors of their country, favorite activity of the country) and carry a flag through the halls of Dolvin. They are so proud to show off their heritage. Please sign up by February 5 to give us time to try to get flags for countries we don't already have.

If your child would like to participate, please go to the link on the International Day page **today**.
